Dylan Levy

Solon, Ohio | levy.552@osu.edu | 216-905-0165 | dylanlevy.com

EDUCATION

The Ohio State University — Columbus, Ohio
Bachelor of Science in Computer Science Engineering — Expected May 2029
Minor in Mathematics

- Relevant Coursework: Software I, Digital Logic, Engineering Fundamentals, Linear Algebra

PROJECTS

GridGuide — 1st Place, American Electric Power Challenge Track — HackOHI/O 2026
Typescript, React, Hono

- Built an outage management application in 24 hours with a three-person team, featuring interactive network maps, isolation planning, and repair prioritization.
- Integrated a conversational AI assistant to explain restoration windows, crew dispatch status, and outage risks in plain language.

Fantasy Roulette
Typescript, React Native, Hono, SSE, Docker

- Built a real-time multiplayer fantasy-football drafting application with React Native and a Hono backend.
- Implemented server-sent event updates to synchronize lobby, roster, and game state across clients.

MinestomFiller
Java, SQLite, Gradle, Minestom

- Developed a multiplayer game server with matchmaking, isolated game instances, spectators, and persistent player statistics.
- Built a reusable seeded 8x8 territory-capture engine and SQLite-backed replays that reconstruct matches from their seed and move history.

MinestomLogicGates
Java, Minestom, Gradle

- Built an interactive circuit simulator with logic gates, clocks, switches, buttons, lamps, and visual wires using directed graph with event-driven state propagation.
- Implemented reusable circuit schematics that preserve relative component positions and connections for saving, loading, and pasting.

WORK EXPERIENCE

Chabad Jewish Center of Solon — Solon, Ohio
Facilities Maintenance Technician — *June 2026 – August 2026*

- Maintained shared spaces and prepared rooms for daily events according to written floor plans and schedules.

Zoom Express Car Wash — Mayfield Heights, Ohio
Kiosk & Sales Attendant — *July 2025 – December 2025*

- Guided 150+ cars daily through kiosk transactions and promoted premium packages and membership sign-ups.

LEADERSHIP EXPERIENCE

American Cancer Youth Society Club — Solon, Ohio
Volunteer Coordinator — *August 2025 – May 2026*

- Coordinated club meetings, tracked member participation, and facilitated fundraising volunteer opportunities.

Intro to Computer Science Peer Leader — Solon, Ohio
Teacher Assistant — *August 2025 – December 2025*

- *Helped students complete programming assignments and graded their work with written feedback.*

INVOLVEMENT & ACTIVITIES

Baldwin Wallace ACM High School Programming Contest — Berea, Ohio
Contest Participant — *April 2025, April 2026*

- Collaborated with a team to solve programming problems in two annual competitions.

Track and Field — Solon, Ohio
Varsity Track Athlete — *March 2023 – May 2026*

- Competed in variety pole vault for three seasons, achieving a personal best of 13’4”.

SKILLS

Languages: Javascript, Typescript, Java, C++
Frameworks/Libraries: React, React Native, Hono, Astro, raylib
Tools/Platforms: Git, Docker, Bun, Node.js, Linux, Gradle, SQLite
